

DINGLE FOR TEENAGERS

There is a plethora of fun and interesting things to do on The Dingle Peninsula for teenagers. Here are our favorites, the umbrella photo indicates good stops if the weather is bad. Some options may only have seasonal opening times.

Dingle Surf School (8 min walk)

Dingle Surf School is the only dedicated surf school in Dingle town. They provide a friendly, safe and fun introduction to the exhilarating sport of surfing. Using their free “surf-bus” they will pick you up from the Dingle Surf Shop (on Green St) and take you north over the breathtaking Conor Pass to their main base of operations at Kilcummin on Brandon Bay for an exhilarating day of surfing.

Make some Pottery (20 min drive)

The workshop at the fantastic Louis Mulcahy Pottery (on the Sleah Head route) has an open room for you to try your skill on the potter’s wheel. A professional thrower can be seen going through the daily routine of throwing pots, and visitors can try their skill at making the simplest shape.
